Company's vision is to be a leader in the ship management industry, by promoting its safety culture and utilizing new technologies, consistent with its strategic goals and by realizing maximum efficiency through superior management. The Company's Vision statement is:

Capital Ship Management Corp. is fully committed to safe, environmentally responsible and commercially successful transportation of our clients' cargoes around the world.

Capital Ship Management Corp. is fully committed to Excellence in Safety, Security, Health and Environmental performance.

Our aim is "Zero spills to sea and Zero incidents" achieved through continuous improvement

Company's Policy Concept

SMS responsibilities extend throughout the organisation from the Managing Director downwards. Everyone is expected to take a personal and constructive role in the drive for efficient and effective operations. All personnel should be familiar and implement the Company's Policies and objectives.

Policies are posted in prominent positions on board managed vessels and at the Company's premises and are reviewed annually and whenever necessary in order to ensure that they remain valid. All Company's activities ashore and on-board should be in line with our Policies and objectives.
