

Security Policy

It is the policy of **CAPITAL SHIP MANAGEMENT CORP.** to provide a secure working environment, by establishing and maintaining the required security measures to prevent unlawful acts, which endanger the safety and security of persons and property ashore and on board.

All employees are expected to comply with the required procedures within Ship Security Plans and company security measures and should be familiar with the relevant security duties required by them and the measures required to protect the property from any unlawful act.

The Master has the Ultimate Authority and responsibility to take decisions, which in his professional judgment, as Master, are necessary to maintain the Safety and Security of the Ship. If in the professional judgment of the Master, a conflict between any Safety and Security requirements applicable to the Ship arises during its operations, the Master shall give effect to those requirements necessary to maintain the safety of the ship.

The company shall ensure that the Company Security Officer, the Master and the Ship Security Officer are given the necessary support to fulfill their duties and responsibilities in accordance with XI-2 of the 1974 SOLAS Convention and National Requirements.
